Foreword

The international ratings of New Zealand bred middle distance horses have never been higher. The continued success of these horses has created great demand from our major markets such as Australia, Hong Kong and Singapore for our 'classic' product.

The announcement that Rich Hill with the support of some of Australasia's leading breeders has purchased a 50% interest in VADAMOS, a Group 1 winning son of German sire legend Monsun, has had a positive response from all sectors of the industry. The international markets believe that Vadamos is exactly the type of horse who should be standing in New Zealand and the feedback confirms that his progeny will be well sought at future sales.

Vadamos is regarded as both the 'fastest' and 'best bred' sire-son of Monsun. His 2016 Timeform Rating of 126 followed his brilliant win in France's highest rated mile, the Gr.1 Prix du Moulin at Chantilly. A magnificent individual and a horse of exceptional ability, Vadamos offers the ideal outcross for Danehill and our major sire lines.

Rich Hill's four other stallions present New Zealand breeders the opportunity to access dominant sire-lines and top class international race performance.

With four individual Group 1 winners over the last two racing seasons champion sire PENTIRE has cemented his position as New Zealand's leading active sire of Group One winners (16). Rich Hill's foundation sire will cover a strictly limited book in 2017.

Street Cry's magnificent dual Group 1 winning son SHOCKING continues his rise up the New Zealand sire ranks. His commercial appeal reached new levels at Karaka earlier this year with a top price of \$300,000 for his outstanding colt out of Pinders Prize. He has already sired 11 stakes performers from his first two crops, and is on the way to establishing himself as one of our next great cups and classic sires.

The early stud career of multiple Australian Group 1 performer PROISIR could not have started in better fashion. He was New Zealand's most popular first season sire with 145 mares in 2015, and in 2016 his full brother Divine Prophet won the prestigious Group 1 Caulfield Guineas. His own champion sire Choisir sired four Group 1 winners around the world in the space of 6 months this season. Proisir's first crop weanlings sold up to \$65,000 at Karaka in May, and the foundations are now laid for a very successful stud career ahead.

The career of New Zealand's champion first season sire in 2015/16 JIMMY CHOUX is starting to gather momentum. At this time (June) he has had 20 first-crop winners in New Zealand, Australia, Japan, Singapore and Macau, including three stakes performers. His second-crop includes unbeaten two-year-olds Bostonian and Jimmy Lincoln, who both look great spring classic prospects.

Rich Hill continues to offer breeders the best possible service with an experienced and specialised staff and superb facilities to complement our exceptional line up of stallions. Please contact us if we can assist with any aspect of your bloodstock investment.

MONSUN

"Vadamos has always impressed me with his raw talent – It is well documented that no other horse in my yard could beat him in the mornings and his final 200 metre time in the Moulin of 10.47s is absolutely top-class."

Vadamos: Pedigree Nicks

The late MONSUN proved a remarkable sire-outcross in the northern hemisphere, leading to a €150,000 service fee.

Monsun's success is in a large part due to his wonderful affinity with NORTHERN DANCER line mares. **18 of Monsun's 22 Group 1 winning progeny feature Northern Dancer** close up in their dam's pedigree. Looking wider at Monsun's total Group winning progeny we see 53 of his 65 group winners all featuring Northern Dancer. **With Vadamos carrying just one Northern Dancer line within his first six generations, mares bringing further lines look especially attractive breeding prospects.**

Northern Dancer's son **NIJINSKY** has combined exceptionally well with Monsun, as too **DANZIG**. It is no surprise to see the **DANEHILL** cross work so well, he combining Danzig with Natalma. Another Danzig sire-son to cross well with Monsun is **GREEN DESERT**, and mares by sire-sons **VOLKSRAAD**, **CAPE CROSS**, and **INVINCIBLE SPIRIT** should suit Vadamos.

Mares by Rich Hill's own champion stallion **PENTIRE** are ideally suited to Vadamos. Pentire's dam-sire **Mill Reef** features in 18 of Monsun's 65 group winners, and his sire **Be My Guest** features in nine stakes winners, including Timeform's 'Horse of the Year' **MANDURO**.

LAST TYCOON has both Northern Dancer and Mill Reef in his pedigree, making **O'REILLY** mares especially appealing for Vadamos. O'Reilly also features seven lines of the famous **Number 9 speed family** in his pedigree, this family prevalent in many of

the pedigrees of Monsun's stakes horses. Mares with multiples of: Nasrullah, Fair Trial, Court Martial, My Babu, Royal Charger, Turn To etc all suit Vadamos. **SIR TRISTRAM** is another likely to suit Vadamos, he bringing in Mahmoud, My Babu, and Royal Charger together with double-lines of both Princequillo and Selene.

Through dam-sire **PEINTRE CELEBRE** appears influential stallion **NUREYEV** close-up. Linebreeding to influential mare **SPECIAL** is widely recognised as a key factor towards breeding stakes performers. Mares adding further **NUREYEV**, or brothers **SADLER'S WELLS** and **FAIRY KING** look especially appealing. The many sires affording this opportunity include: **ZABEEL, SAVABEEL, DARCI BRAHMA, MONTJEU, HIGH CHAPARRAL, STRAVINSKY, ENCOSTA DE LAGO, SHINKO KING, CARNEGIE, RIP VAN WINKLE, IFFRAAJ, THEWAYYOUARE** etc.

MR PROSPECTOR has had very good success combined with both Monsun and Peintre Celebre. This opens the way for mares featuring sires such as: **FUSAICHI, PEGASUS, WOODMAN, STRAIGHT STRIKE, FALTAAT, ELUSIVE CITY, STREET CRY, FLYING SPUR, MORE THAN READY** etc.

Peintre Celebre like Monsun, has crossed exceptionally well with **DANEHILL** which adds further Vadamos-appeal for Danehill-line mares. Among the many Danehill-line mares suited to Vadamos are those with: **REDOUTE'S CHOICE, FASTNET ROCK, FLYING SPUR, DANZERO, DARCI BRAHMA, KEEPER, DANSKE, DANASINGA** etc.

"I like speed horses and his performance and time in the Prix du Moulin were exceptional. He has the pedigree, looks, consistency of performance and speed that for me makes him an extremely attractive stallion prospect."

Shocking: Pedigree Nicks

Shocking's pre-potent bloodlines feature champion sires STREET CRY and DANEHILL, ensuring he suits a wide spread of Australasian mares...

Street Cry is one of the few top-drawer MACHIAVELLIANS' free of **NORTHERN DANCER**. With his dam Coup de Folie inbred to Almahmoud, Machiavellian did especially well with mares carrying Northern Dancer in their pedigrees. **Danehill** too has crossed powerfully with mares strong in Northern Dancer, so lines of this breed-shaping stallion are ideal for **Shocking**.

Nine of Shocking's first eleven stakes performers carry a line of Northern Dancer through their dam, **Gr.1** New Zealand Oaks winner FANATIC and four others each bringing a Northern Dancer double.

SIR TRISTRAM and **ZABEEL** are pre-eminent sources of superior staying ability. The **Shocking x Sir Tristram** cross offers an exciting opportunity. Sir Tristram's inbreeding to **Princequillo** is particularly attractive, and **Danehill** has done exceptionally with mares from the Sir Tristram line. Shocking's **Gr.2** ARC Championship Stakes winner THE HASSLER (Circuit Hassler) is out of a Zabeel mare, he one of three stakes performers to-date sired by Shocking that feature Sir Tristram.

FANATIC is out of a **GROOM DANCER** (Blushing Groom) mare, as too Shocking's talented Hong Kong three-year-old LOVE

SHOCK. The **Shocking x Blushing Groom** cross itself features in seven winners from just 10 runners, and includes exciting Group winner SHOCKING LUCK.

Duplications of **DANZIG** are now seen regularly in new stake winners worldwide.

Three of Shocking's stakes performers carry a male line of **Danzig** through the top-line of their dam, each via a **Green Desert** sire-son: **VOLKSRAAD, DESERT PRINCE**, and **MAGIC RING**.

With **DANEHILL** proving a 'super cross' with **Street Cry**, mares bred to Shocking that carry a male line of Danehill will reinforce the potency of this nick. Duplicating Danehill has been seen to good effect in producing Group 1 winners such as GUELPH, ASTAIRE and SOUTHERN LORD together with a host of top performers.

DANEHILL crosses well with a wide variety of sire-lines making Shocking an appealing sire match for mares featuring: **O'REILLY, PINS, MARSCAY, MR PROSPECTOR, NUREYEV, ROYAL ACADEMY, TWIG MOSS, MILL REEF, LUSKIN STAR, KENMARE, ROBERTO, CENTAINE, VAIN, AHONOORA, MISWAKI** etc.

Bloodlines to have crossed well with **STREET CRY** include: **SADLER'S WELLS** and his sire sons, and **STRAVINSKY, REDOUTES CHOICE, DIXIELAND BAND, GREEN DESERT, RED RANSOM, OCTAGONAL, NIGHT SHIFT, ROYAL ACADEMY, TALE OF THE CAT** etc.

Proisir: Pedigree Nicks

Proisir's pedigree compliments many of Australasia's top sire lines.

SIR TRISTRAM'S affinity with Danehill-line horses is well established. He crosses well with both **Proisir's** champion sire **Choisir** and his broodmare sire **Encosta De Lago**, each producing a high percentage of winners and stakes winners. Sir Tristram's influence is widespread and mares carrying his influence through: **ZABEEL, KAAPSTAD, SAVABEEL, GROSVENOR, DARCI BRAHMA, DON EDUARDO** etc are likely to be well mated with **Proisir**.

ZABEEL offers a line through Nureyev back to influential mare SPECIAL, this the dam-line of Encosta De Lago's own sire Fairy King. The duplication of this famous family through **NUREYEV, SADLER'S WELLS, FAIRY KING** etc is regarded as a most successful formula for producing stakes performers. Mares that afford this breeding opportunity with **Proisir** include those by: **ZABEEL, SAVABEEL, DARCI BRAHMA, MONTJEU, HIGH CHAPARRAL, STRAVINSKY, SHINKO KING, CARNEGIE, RIP VAN WINKLE, IFFRAAJ, THEWAYYOUARE** etc.

It is noteworthy that Choisir's own sire **Danehill Dancer** has had great success when bred to mares by **Sadler's Wells** and his sire sons.

With **DANEHILL** appearing four generations back in **Proisir's** foals, and **DANZIG** five, it is worth trying Danehill-line mares and other branches of the Danzig male line.

The success of Encosta de Lago crossed with Danehill-line mares reinforces this.

REDOUTE'S CHOICE, FLYING SPUR, DANSKE, KEEPER, DANASINGA, VOLKSRAAD, BERTOLINI, CAPE CROSS etc all look well suited to **Proisir**.

Champion sire **MR PROSPECTOR** through **ELUSIVE CITY, FUSAICHI PEGASUS, NO EXCUSE NEEDED, FALTAAT, BACHELOR DUKE** and **WOODMAN** etc will pick up nicely with his female line presence via Encosta De Lago. **NIJINSKY** has picked up well with **Choisir** producing **six stakes winners**, so mares by **GENEROUS, HOWBADDUWANTIT** and **ROYAL ACADEMY** should all suit.

O'REILLY is an attractive line breeding option for **Proisir**. **Danehill Dancer** bred over an O'Reilly mare resulted in **Gr.1** Coolmore Stakes winner STEPS IN TIME, and O'Reilly crossed with Danehill blood features in **17 individual stakes winners**. Encosta De Lago has crossed well with O'Reilly's sire **LAST TYCOON**, resulting in **nine stakes winners** which include four-time Group 1 winner ALINGHI.

PINS mares appeal, they creating a sex-balanced double of speed influence **Lunchtime** up close, together with linebreeding to **Star Kingdom** and **Northern Dancer**. **RORY'S JESTER** mares also appeal, a high percentage of winners and stakes winners coming from the Choisir x Rory's Jester cross.

Pentire: Mating Suggestions

Pentire's outstanding sire success over a long period reinforces his great ability to cross effectively with many bloodlines.

Legendary sire **NORTHERN DANCER'S** bloodlines feature in **62 of Pentire's 84** stakes performers.

Mares with **STAR KINGDOM** in their pedigree have shown a remarkable affinity also, with **18 of Pentire's stakes winners** carrying the great Australian sire's bloodlines. **BISCAY** is present in Pentire's Group 1 winners RANGIRANGDOO, PANTANI, FERLAX, and PENNY GEM.

MR PROSPECTOR mares are attractive breeding options for **Pentire**. 2015 Melbourne Cup winner PRINCE OF PENZANCE was out of a Mr Prospector mare, and **15 of Pentire's stakes performers** feature him in their pedigrees including: ZARITA, PENTASTIC, and INTRANSIGENT.

CENTAINÉ crosses well, with XTRAVAGANT, HE'S REMARKABLE, and ATACAMA all Group 1 Pentires' to feature him. Centaine's pedigree contains that wonderful Australian sire **VAIN**, and **17 of Pentire's stakes horses** feature Vain's bloodlines.

14 of Pentire's stakes winners carry SIR TRISTRAM'S bloodlines, including champion racehorse XCELLENT and SIR PENTIRE. Champion broodmare sire **ZABEEL** is dam-sire of **four Pentire Group 1 performers** including: XTRAVAGANT, ART SUCCESS, HE'S REMARKABLE, and LARRY'S NEVER LATE. Zabeel is second dam-sire of Darren Weir's 2017 **Gr.1** South Australia Derby winner VOLATILE MIX.

Crossed with a **GROSVENOR** mare, Pentire has sired top stayers PENTATHON and PENTATHLON; and to **KAAPSTAD** mares ENTIRELY PLATINUM and KINCAPLE.

Line-breeding to **MILL REEF** and his relatives has been very successful for Pentire. The Group 1 winner MARKUS MAXIMUS is out of a **LAST TYCOON** mare, while the Japanese Group winners CRAFT WORK and ONE

MORE CHATTER both feature **Mill Reef** on their dam's side, as too VOLATILE MIX.

O'REILLY mares offer breeders this opportunity, 2017 **Gr.1** Auckland Cup winner CHENILLE bred on this cross. On the reverse, stakes winner PRESIDENT LINCOLN is an example of **O'Reilly** bred over a **Pentire** mare.

HIGH CHAPARRAL deserves special mention. VOLATILE MIX was sired by Pentire out of one of his mares, and bred on the reverse cross is five-time Group 1 winner SHOOT OUT. This Group 1 double is all the more impressive as these are the only two runners on the Pentire x High Chaparral cross.

The influence of **TUDOR MINSTREL** cannot be over looked for Pentire, (KING) MUFHASA, RANGIRANGDOO and DEVASTATING each line-bred to him.

Among the dam-sires Pentire has sired stakes winners to are: **CATBIRD, CENTRO, CRESTED WAVE, DANASINGA, DANCE FLOOR, DANZERO, DEFENSIVE PLAY, GOLD BROSE, ROYAL ACADEMY, SINGSPIEL, and VELOSO.**

***All unbeaten and exciting Spring prospects**

Jimmy Choux: Pedigree Nicks

Jimmy Choux has a pedigree free of **DANZIG** and **DANEHILL**, his four potent lines of **STAR KINGDOM** through Bletchingly and Todman making him ideally suited to these stallions. Jimmy Choux's high class stakes filly **WHAT CHOUX WANT'S** dam is by the Danzig-line sire **VOLKSRAAD**; with the Tony Pike-trained Bostonian and Chris Waller-trained **CHAUSSURE** out of a Keeper mare, each rated as future stakes horses.

The **STAR KINGDOM x TUDOR MINSTREL** cross is highly desirable. One source of Tudor Minstrel blood comes by way of Rich Hill's sire **PENTIRE**, his own affinity with Star Kingdom is immediately obvious via **PENNY GEM**, **PANTANI**, **TINSELTOWN**, **PENTASTIC** and **ZANNA** etc.

MR PROSPECTOR blood is suited as **four of Thorn Park's own stakes winning progeny** feature him close-up. **Jimmy Choux's** own exciting juvenile **MANOLO BLAHNIQ** carried a Mr Prospector double up through **MORE THAN READY** and **STRAIGHT STRIKE**. His impressive Australian winner **PARLAY VOUS** carries a double of Mr Prospector through **FLYING SPUR** and **STRAIGHT STRIKE**; whilst his stakes performed filly **SWEET VARDEN** carries Mr Prospector through **WOODMAN**.

SIR TRISTRAM appeals: 10 of Thorn Park's 24 stakes winners have a Sir Tristram presence close up, with **VEYRON** (Centro, Sir Tristram) and **OCEAN PARK** (Zabeel) good examples of the cross. **Jimmy Choux's** runners to-date to feature Sir Tristram include unbeaten juvenile **JIMMY LINCOLN**,

unbeaten Australian three-year-old filly **ADDISON**, and the talented **POKER FACE**.

The success of the **SADLER'S WELLS x NUREYEV** nick is well documented, with linebreeding to his influential dam **SPECIAL** proving very successful. This linebreeding features in **8 of Thorn Park's own 24 stakes winners**, including Australian Group 1 winner **SUAVITO** who carries a double of Nureyev plus a line of Sadler's Wells. Mares by **ZABEEL**, **SAVABEEL**, **DARCI BRAHMA**, **MONTJEU**, **HIGH CHAPARRAL**, **STRAVINSKY**, **ENCOSTA DE LAGO**, **SHINKO KING**, **CARNEGIE**, **RIP VAN WINKLE**, **IFFRAAJ**, **THEWAYYOUARE** offer this linebreeding opportunity.

Jimmy Choux's electric acceleration is typical of the best Nureyev sire-line progeny, and this quality is often reinforced by **LAST TYCOON**. Thorn Park's Australian flagbearer **CENTENNIAL PARK** is out of a Last Tycoon mare. This cross involves linebreeding to the legendary mare **BEST IN SHOW**, so **O'REILLY** and **TOWKAY** mares also appeal. It is worth noting that Mick Price's highly rated **HEPTAGON** is by Jimmy Choux out of an O'Reilly mare.

Any mating featuring **Spinning World** with Sadler's Wells or Last Tycoon is linebreeding to the great mare **LALUN**. Other sources of Lalun are **Never Bend** or **Bold Reason** and these bloodlines are present in **VOLKSRAAD**, **STRAIGHT STRIKE**, **DESERT SUN**, **CAPE CROSS** and **SOUND REASON**.

About Rich Hill...

Rich Hill Stud, Walton, was established 23 years ago by John Thompson and his wife Colleen along with business partner Alan Galbraith QC and John's parents- respected equine veterinarian Colin Thompson and wife Irene.

The name Rich Hill originates from the homeland of John Thompson's grandfather Vic Troughton who grew up in Richhill, Co Armagh (Northern Ireland), immigrating to the Waikato district in the early 1900's.

From humble beginnings with a few horses and one staff member, John's original success with pinhooking weanlings enabled him to purchase his first farm. The Rich Hill brand has now developed into one of New Zealand's leading thoroughbred nurseries situated on 320 acres of prime Waikato farmland.

Rich Hill has become renowned for raising and selling a quality product that is sound enough to compete at the highest level on Australasia's

leading racetracks. The farm has sold horses in Australia for up to \$1.3 million AUD (Inglis Sydney Easter Yearling Sale) and up to \$600,000 in New Zealand (NZB Premier Yearling Sale). Its graduates include such Group One winners as Prince of Penzance, Xtravagant, (King) Mufhasa, Ferlax, Zarita, Recurring, Penny Gem and Pentane; to name but a few.

Rich Hill provides a complete bloodstock package for its clients. This service includes foaling, weaning, and the raising of young stock by a qualified and dedicated staff. Its picturesque location and superb facilities provides a safe and natural environment for your thoroughbreds. Rich Hill has a well equipped and managed foaling unit and the resources to prepare 50 yearlings.

We can offer expert advice on all aspects of the thoroughbred industry. This includes mating plans, broodmare and weanling purchases, and ongoing support to make sure your bloodstock investment works for you.
